

**We have exciting options for you! Maintain the beauty and integrity of your  
landscape lighting with one of these  
Affordable Lighting Maintenance Packages:**

**Platinum Package (four visits per year) ~ \$80 Per Hour *\*An AFFORDABLE Best Value\****

Our 4-season Platinum Package ensures a thorough year-round plan at a discounted hourly rate. Thanks to frequent visits, our techs will need less time per visit to execute the program of services. This is our most cost-effective choice.

Our technicians will give your system their expert attention as follows:

- Clean transformer and lighting fixtures
- Replace bad bulbs (Bulbs are charged a la carte)
- Redirect fixtures
- Annually recommended oiling of brass fixtures, or more frequently if needed.
- Straighten path lights
- Check wires on trees
- Seal sockets with lubricant as we replace bulbs
- Check amperage and volts (Recommended annual service)
- Check and change timers
- Prune branches, ground cover, etc. that may be blocking light.

**Gold Package (two visits per year) ~ \$90 Per Hour**

Our bi-annual Gold Package is a great basic option for maintaining the beauty and functioning of your landscape lighting. Our technicians will expertly perform the above listed services two times per year.

***Every time our Affordable technicians visit you, you can expect a yard sign and a door hanger that details services performed, systems checked, and quantity of light bulbs replaced.***
